A close-up photograph of a snifter glass filled with red wine. The glass is partially filled, with the wine level reaching about halfway up the bowl. The word 'FULL' is written in a dark red, serif font across the top half of the glass, and the word 'EMPTY' is written in a white, serif font across the bottom half of the glass. The background is a soft, out-of-focus white with some faint, wispy patterns. The lighting is bright, creating highlights on the glass and the wine.
