

Quotes & Pictures of Workshops

"Have tried practicing the hands on with my students n it was nice. It had really given the kids clear understanding of the topic. Thanks a lot for that workshop...U have really influenced my teaching. I now find it so easy... Now my school authority have allocated time for me on my time table. For hands on teaching."

- Laruie Gilbert Brown, Teacher,
Tema District

"I was so excited seeing my students partaking in a practical experience."

- Emmanuel Williams Tetteh,
Teacher, Shai Osudoku District

"The activity really made my work easier. Most of them understood the lesson better... because it seems very practical. They all participated fully in the lessons as well."

- Charlotte Dorgbefu, Teacher, Adenta District
